13/12 Poland under Martial Law Niedenthal Chris pobierz PDF Only one person could have created this extraordinary, fascinating album. Chris Niedenthal was the only foreign photojournalist to document - and how! - martial law in Poland from beginning to end. In this book, you will find the whole truth about martial law: the individual, human dramas amongst which you can find the faces of people well-known nowadays, the tragedy of the whole nation, the cruelty and thoughtlessness of the communist authorities, the hopelessness and ugliness of everyday life in the People's Republic of Poland.
